They must be read in full, as it contains important information about the cadet's participation at the Cadet Training Centre (CTC). In order to participate at the Training Centre, course cadets and staff cadets must also complete and submit upon arrival at the CTC the articles of conduct located in Annex D and E of the joining instructions and arrive with a signed copy of their offer of participation.

## [COURSE DETAIL]

2. Located at the Boyle Barracks 20km south of Whitehorse, YT; Whitehorse CTC (WCTC) is the only Cadet Training Centre "North of 60". As such, 40% of the course cadets come from the Territories. Other cadets from across Canada and the United Kingdom join the the cadets at WCTC to participate in the training programs delivered during the summer months. This cross-cultural environment presents a unique citizenship opportunity for all cadets attending WCTC. Our area of operations covers an area of the Yukon Territory from the Robert Campbell Highway to the North, the South Canol Road to the East, Tagish to the South and Kusawa Lake to the West.

3. WCTC conducts the following six training courses during the summer:

- a. General Training;
- b. Basic Expedition;
- c. Basic Marksman;
- d. Basic Drill and Ceremionial;
- e. Expedition Instructor; and,
- f. Air Rifle Marksmanship Instructor.

4. WCTC comprises approximately 160 staff and staff cadets as well as 300 course cadets.

5. Training at WCTC ranges from basic indoctrination for new cadets to leadership, team building and instructional techniques training for second and third year cadets; as well as on the job training for fourth and fifth year cadets.

6. Parents/Guardians bringing their son/daughter/ward to the training centre must ensure that the corps/squadron Commanding Officer (CO) is so informed in advance, and should plan their journey to arrive at the CTC Ops Centre no later than 13:00 hours (1:00 p.m.) of the reporting-in day, which is generally the day before the course start date. Parents/Guardians from outside the Whitehorse area who intend to drive their son/daughter/ward to the Training Centre or parents who intend to pick-up their son/daughter/ward from the Training Centre at the end of training must inform their corps/squadron CO of their intent to do so in writing prior to the cadet departing for the training season.

7. Mess Dinners (for staff cadets) may be arranged while at WCTC. If held, the staff cadets mess dinner is usually mid-summer and staff cadets are to wear Mess Dress (C6 -Army Cadets and C8 -Air Cadets). The Commanding Officer may permit staff cadets to wear suitable equivalent civilian attire to the dinner.

## [PREPARATION]

### [CLOTHING AND EQUIPMENT REQUIREMENTS]

8. Military and civilian clothing and equipment requirements are detailed in the Joining Instructions Kit List (Annex C). All items should be clearly marked with cadet name and initials in permanent ink. Regimental kit and accouterments including; but not limited to, highland dress, patrol dress, and ceremonial white belts, are not required and must not be brought to the CTC.
9. Cadets MUST ensure that all DND-issued items of clothing, especially footwear, fit properly before departing for training. There are no facilities for clothing exchange at the CTCs. Any necessary clothing exchanges must be completed at the local corps/squadron. Fleece jackets are highly recommended for all expedition training cadets.
10. **Warm Clothing.** All personnel are advised to bring long underwear and suitable warm outer clothing. The mean temperature for the July to August time frame ranges from a daytime high of +25 Celsius to a night time low of +2 Celsius. Exercises are often conducted at higher altitudes with lower temperatures and generally poorer weather conditions. A fleece jacket is recommended for all Expedition Training.
11. There is no need for cadets to wear civilian clothing, however, appropriate civilian clothing may be worn but must not be defaced, cut, ripped, or have drawings, lettering or other adornment on them that is offensive in nature. Civilian clothing may be worn during non-training activities such as dances and relaxed periods, along with the training centre T-Shirt.
12. Personal storage space within CTC accommodations is limited. Cadets are thus discouraged from bringing any items not specifically described in the relevant Kit List. Bringing valuables of any sort (personal electronics, cameras, jewellery, cell phones, etc.) is done so entirely at the cadet's risk. Cadets are responsible for securing their own possessions and the Canadian Armed Forces accepts no responsibility for personal property. All personal items should be documented on a Record of Valuable Items (Annex B) which should accompany the cadet.

### [MEDICAL AND DENTAL INFORMATION]

13. **Health Cards.** All cadets must have a copy of their territorial/provincial health card and original identification in their possession. Cadets who live outside of Northwest Region must also have a photocopy of their personal or family health card issued by the respective province.
14. **Prescription Medication.** Cadets requiring prescription medication must bring sufficient medication to last for their entire stay at the training centre. Medications will be logged in and retained by CTC Medical staff, together with dispensing instructions. Although proper dosages and frequency are supervised by CTC staff, cadets are expected to be aware of, and understand, their own medication requirements. If prescription replenishment is likely to be required during the course, cadets must have in their possession the medication renewal prescription, the dosage, and sufficient funds to cover the cost of acquiring the medication. Canadian Forces Health Services will not pay for refilling prescriptions. All prescription medication must be accompanied with the completed CATO 16-04 Record of Medication found in Annex F.
15. **Over-the-Counter and Patient Medicines.** Cadets are not permitted to retain any non-prescription medications. Should circumstances warrant, CTC medical staff will administer any appropriate medication. All over the counter medication must be accompanied with a completed CATO 16-04 Record of Medication found in Annex F.
16. Cadets allergic to insect stings or who may be prone to severe allergic reactions/anaphylaxis must bring their prescribed Anakit/Epi-pen with them. Parents must also ensure that the Anakit/Epi-pen has not passed its expiry date and that it will not expire while the cadet is at the CTC.
17. **Medic-Alert Bracelets.** Cadets with known medical conditions (diabetes, allergies etc.) must wear a Medic-Alert bracelet while attending the Training Centre.

18. Eyeglasses, Lenses, Contact Lenses and Frames are the personal property of the cadet. The Canadian Armed Forces will not replace or repair lost or broken glasses or contact lenses. It is strongly recommended that the cadet or the parent have insurance coverage for repair/replacement of eyeglasses. In addition, cadets requiring eyeglasses shall have in their possession two pairs of glasses and a copy of the prescription. Cadets are responsible for the safety of their eyeglasses and must exercise all due diligence in preventing loss or damage (wearing retaining straps etc.). If it is determined that the cadet was on duty and all due diligence was exercised by the cadet to prevent loss/damage, a claim against the crown may be submitted.

## [TRANSPORTATION ARRANGEMENTS]

19. The RCSU Northwest Movements staff will arrange transportation to and from the CTC. Details will be made available in Fortress to corps' Commanding Officer and Zone Training Officer who will provide cadets with the necessary instructions and/or documents. A contact list of Regional Movements Officers is to be carried by the cadet, and used if required while travelling. If any difficulties in travel arrangements are experienced, the emergency contact number for the RCSU (NW) Movements Officers is:

- a. 1(855)761-3747;
- b. cell phone: (204)292-1055; and
- c. for out of region personnel attending Whitehorse CTC, contact your applicable region movements staff.

20. Cadets shall travel to and from the CTC in uniform. The dress and deportment of all cadets shall be above reproach at all times. All cadets must have a valid Government issue identification card prior to their departure from home to the CTC. The name must be identical to the legal name submitted when they applied for a CTC.

21. Cadets travelling by rail or air **MUST** carry government-issued identification. For air travel, as a minimum, cadets under age 16 must have either one piece of photo identification or two pieces of identification, one of which specifies gender and date of birth and legal name. Such documents as a health card or birth certificate satisfy this requirement. Cadets aged 16 and over must have identification with photo. In both circumstances, a valid passport fulfills the requirements. School identification or corps/squadron I.D. cards are not accepted. Cadets whose 16th birthday falls within their training period will be required to hold the higher level of documentation for their homeward journey.

22. Under the Government of Canada's Passenger Protect program, for all air travel, full legal names must be used. Cadets' names as registered with their home corps/squadron **MUST** match the identification being carried.

23. Cadets and Staff Cadets travelling by air will have the cost of their first bag paid for them by RCSU Northwest. Additional baggage entitlements and restrictions will be identified in the Travel Orders. The following are some general guidelines to adhere to:

- a. Baggage must be tagged with identification tags, displaying your name, address, telephone number and corps number, and must not exceed 50 lbs;
- b. Garbage bags, pillowcases, and bags with broken zippers are not acceptable as baggage;
- c. Do not carry breakables in your baggage as we cannot guarantee they will arrive undamaged;
- d. Aerosols, gels, and liquids are not permitted in carry-on luggage; however in checked luggage the items together cannot exceed: 2L, or 2kg (75 fl. oz);

- e. Due to increased security, items considered dangerous are not to be packed in carry-on luggage. These include items such as nail files, nail clippers, box cutters, scissors, sewing kits, etc; and,
- f. Carry-on luggage should be no larger than a school backpack.

24. The Department of National Defence is not financially responsible for lost or damaged baggage on carriers other than actual DND aircraft. In the event of lost baggage while travelling on a commercial carrier (Air Canada, WestJet, etc) it is the travelling individual's responsibility to report the loss to the applicable carrier as the financial responsibility rests with the carrier. The Movements Officer shall assist in making contact with the carrier and assist with the retrieval of the lost luggage.

25. Meals appropriate to the time of day are provided enroute if cadets travel extends over a meal period.

26. Cadets are not authorized to bring private motor vehicles of any type to a CTC. Parents/guardians may transport cadets to and from the Training Centre if prior arrangements are made with the Movements Officer through the Corps Commanding Officer/summer contact officer. Parents/Guardians are to complete the Parental Pick Up/ Parental Drop Off Form and submit it to the Movements Officer to ensure all personnel are made aware of the request.

## [PRE-DEPARTURE CHECK]

27. A pre-departure checklist can be found at Annex A. Please review it and post on your fridge as a reminder to help you prepare to send your cadet away for a Training Centre. Please ensure that your cadet has all the information in this check list as it will assist them with travel and having an enjoyable summer.

## [TRAVEL TIPS]

28. Always make a checklist of everything in your checked baggage and your carry-on. This will assist you in filing a claim should it become lost. It will also assist you in your packing considerations for your next experience at a CTC.

29. Always have your travel orders and identification available on you, not packed in your luggage.

## [TRAINING CENTRE ROUTINES]

### [IN-CLEARANCE]

30. All cadets are processed through an in-routine upon arrival and will be required to provide the following:
- Name;
  - Course attending;
  - Health card (confirmation cadets have it in their possession);
  - Eyeglass and other prescriptions (if applicable);
  - All required paperwork outlined in the checklist (Annex A); and,
  - Any travel documents/tickets.
31. Arriving cadets are subject to a brief interview and health screening examination by medical personnel to help inhibit the possibility of migrating any contagious or communicable condition to other personnel and to ensure the cadet is medically fit for training. Personal luggage will be subject to inspection upon arrival to ensure that no unsafe or prohibited items are brought into the training centre.

## [TRAINING CENTRE SERVICES AND INFRASTRUCTURE]

32. Barber services will be available every two weeks during the training period. WCTC will arrange for a professional barber to provide a service at WCTC and will be available for cadets and staff member haircuts. Course Cadets will be able to pay for haircuts through their cadet bank account.
33. Light refreshments, including soft drinks, chocolate bars, souvenirs and various sundry items are available at the cadet canteen for purchase by cadets.
34. Pay phones are available at the CTC for personal calls.
35. Cadet accommodations are multi-occupant, gender-specific and access-restricted. Sleeping equipment consists generally of two-tier bunk beds. All bedding (sheets, blankets, pillows) is provided. Security for cadets' personal belongings is provided by "barracks boxes" or steel lockers similar to those in school. CTC will issue 3 keyed alike combo locks for securing personal belongings.
36. Meals are served to cadets in a cafeteria style mess-hall environment three times daily. CAF facilities do not offer allergen-free foods or food preparation conditions and cannot ensure avoidance of certain ingredients in food preparation. Whenever possible, foods containing or prepared with identified possible allergens (e.g. nuts, dairy, shellfish) are so identified when served; however, under Director Food Services policy, it remains the individual's responsibility to monitor their own food intake to avoid an allergen.
37. Personal stocks of foodstuffs (snacks, confections, beverages) are not permitted in living quarters.

## [MEDICAL AND DENTAL CARE]

38. Medical Services – Each Training Centre is staffed with medical personnel, including a physician during training hours, to provide a first-response level of medical services intended to deal with minor injuries and routine medical conditions. When necessary, individuals may be referred to local civilian medical facilities for more comprehensive diagnosis and/or treatment.
39. Dental Services – Emergency dental care is available in the event of accident or injury. No dental care beyond the emergency level is provided.

## [POSTAL SERVICES]

40. Postage deliveries and pickups occur daily at the Training Centres. Cadets desiring to mail letters should bring a supply of postage stamps. Additional stamps are available for purchase at cadet canteens. Parents wishing to send mail to their sons/daughters or to a Training Centre headquarters should refer to the address in paragraph 59.

## [LAUNDRY]

41. Full service laundry services are provided to all cadets and staff cadets while they attend training at WCTC. Cadets are not required to bring laundry detergent or other items to the training centre. Irons are available in cadet accommodations so they may prepare their uniforms.

## [WORSHIP SERVICES AND SPIRITUAL GUIDANCE]

42. Each Training Centre maintains a multi-denominational staff of chaplains, making every effort to meet the needs of all religious denominations. The centre provides access to both Protestant and Roman Catholic services for those cadets wishing to attend. Those cadets seeking a service within their own faith are encouraged to approach the Training Centre chaplains for assistance.

## [CADET BANKING]

43. WCTC uses a cashless system during the summer. Cadet bank accounts are created for each cadet. On arrival at WCTC, cadets will deposit any money into this account for safe keeping for the duration of their course. Cadet Training Bonuses are automatically deposited for each cadet into their bank account. Should the cadet wish to purchase items from the Cadet Canteen such as caps, t-shirts, fleece jackets, soft drinks or confectionary items, the amount of each purchase is automatically debited from their Cadet bank account. Cadets can “spend” up to the amount currently in their Cadet bank account. Note that cadets are responsible for personal hygiene items including soap, shampoo, haircuts, etc. At the end of the summer, Cadet bank accounts are reconciled with their total purchases and the cadet is issued a cheque for the remaining balance upon their departure from the CTC. Cadets will also receive a copy of the purchases they made during their time at WCTC.

44. There are no ATMs (commercial banks’ Automated Teller Machines) located within the Training Centre. However, cadets holding their own personal banking or ATM cards may be provided periodic opportunities to access an ATM at nearby commercial locations (RBC, BMO, Scotia Bank, TD Canada Trust, and CIBC are available in Whitehorse).

## [TRAINING BONUS]

45. Course cadets qualify for a training bonus of \$10.00 per day starting on the first day of training, to a maximum of \$60.00 per week for all courses. The bonus is paid in instalments, at the end of one and three weeks’ training and (for six-week courses) upon completion of the course. Interim installments are paid into their Training Centre bank account and the final installment is paid by cheque. Staff cadets will receive payment on the 15th and 30th of each month via direct deposit.

## [PERSONAL APPEARANCE]

46. The standards of personal dress, appearance and grooming shall be such as to reflect credit on the individual and on the Canadian Cadet Organizations as a whole. Cadets are expected to ensure a standard of grooming consistent with military and cadet standards while participating at a Training Centre. Personal Appearance will adhere to the applicable elemental policy: CATO 46-01 Army Cadet Dress Regulations or CATO 55-04 Air Cadet Dress Instructions.

## [VISITS, LEAVE AND PASSES]

47. Cadets attending the Training Centre are considered undergoing training. Parents are reminded that training occurs seven days a week commencing at 0600 hrs daily and concluding at 2000 hrs following a varied and active training day.
48. Cadets require parental consent to depart the Training Centre. The cadet must be accompanied by a responsible individual, authorized by the parent/guardian and normally identified in Fortress. In any case, leave authorization is dependent on training requirements. Leave passes are generally not available to cadets attending two-week courses.
49. If there are special restrictions (e.g. due to court orders, custody issues, etc.) or changes in authorization of who may take a cadet on leave, the Training Centre requires notice in writing, either by mail or by fax.
50. Cadets are required to be in uniform when departing from and returning to the Training Centre.

## [SMOKING, ALCOHOL, TOBACCO AND DRUGS]

51. All Cadet Training Centres have a NO SMOKING policy for all cadets. Course cadets and staff cadets are not permitted to smoke either on or off the CTC property. If a cadet attends a training centre with a smoking addiction parents are expected to provide their cadet with smoking cessation products. Failure to adhere to the rules at the CTC may result in the cadet being Returned to their Unit (RTU) and/or referral to the appropriate authorities.
52. Drugs are prohibited as defined in the Narcotics Control Act and in Parts 3 and 4 of the Food and Drug Act. This includes any other substance known to competent medical authorities as a drug, which if injected, consumed, or inhaled has the capacity to affect the normal functions of the mind or body.

## [CELLULAR PHONE]

53. Cadets will be authorized to bring cellular telephones to the CTC. RCSU Northwest does not take any responsibility for the loss or cost of inappropriate use of a cellular telephone. Personal communication devices such as cellular phones are valuable items. Each CTC will advise cadets on the policy for securing and use of cellular telephones. Cadets will be required to follow this policy as cellular telephones have the potential to be disruptive when it undermines the integrity of individuals rights to privacy, adversely affects the quality of teaching or learning, and/or interferes with the efficient operation of the CTC. Cadets will only be permitted to use their phone during non-training hours. Cell phone use in the barracks and washrooms is prohibited.
54. Cellular phone providers that provide coverage to the WCTC training area are:
  - a. Northwestel;

## [GRADUATION AND RETURNING HOME]

56. Cadets do not depart immediately following graduation parades. Pre-departure out-clearance procedures and transportation arrangements are planned well in advance of the scheduled departure dates. Further, due to the large number of cadets departing in a short time frame, a rigid departure plan must be maintained.

57. It is imperative that parents desiring an early departure with their sons/daughters advise the Training Centre. In order to expedite the process and in an attempt to reduce lengthy delays, parents are obliged to complete the Parental Pick-up Form (Annex G). If circumstances change, a substitute form may be sent by fax or mailed to the Training Centre, or arrangements may be made by telephone.

58. Parents, or those adults designated by parents as the person authorized by them to transport the cadet home, are obliged to ensure they have adequate identification on their person and that they are indeed the parent or individual identified in Fortress, on the cadet's Offer of Participation or Parental Pick-up Form. CTC staff are obliged to exercise due diligence and will not release a cadet to anyone's custody without the proper parental authorization and confirmation of identity.

Effective summer 2014, cadets are required to bring their own T-shirts, shorts and shoes for physical training. Options include serviceable PT gear issued for previous courses or appropriate, equivalent civilian attire. Civilian T-shirts should cover the midsection and shorts should extend to at least the middle of the thigh.
